Disregard the previous suggested cite.

Revise to a better cite. Rule 241 Subsection 301.2

Importance: High

Bryan,

I need your help.

How is Rule 220 Section 403.2 applicable to the source's installation of emergency generators G-4 and G-43? The source already included this equipment in the request for permit modification submitted on 03-Dec-2016. What are the elements of the violation at this point? What is the corrective action?

Isn't Rule 220 Subsection 301.3a more applicable here?

The Air Quality Department strives to provide excellent customer service to residents of Maricopa County.

How are we doing? [Send us your feedback.](#)
